

## CONVENIENCE FOOD

# ADDING CONVENIENCE TO BUSY LIVING

In the race called life, time is of essence and for an entire generation of working individuals, cooking meals should not feature as a hassle. At VKL, our idea of convenience food kit- is just that. Where every ingredient is assorted together - to be meal ready.

In our fast paced living & catering to varied food demands, we introduced the convenience food kit- a collection of perfected seasoning solutions that add value & taste to the wide spread of quick & convenience food - all at a competitive market price. Available in Indian, International & Standard offering, the range is unique & wide.

Adding a quick taste to your palate while keeping the preparatory time minimum is what we aim for at VKL. With experimentation & technological excellence as a priority, our dedicated R&D center, V-Create specializes in innovating solutions that are easy to plate.

## Noodles Seasoning

Being the go-to option, noodles contain a tremendous scope for innovation and being at the forefront of the same, VKL crafts instant seasoning solutions to save up the effort and cost, providing smart cook up variants that bring out the best in your product.

## Pasta Seasoning

One of the most popular Italian mains that has invaded the millennial kitchen, VKL has an unparalleled range of instant solutions of red, white and more cook up variants that compliment your unique style and make the process time saving.

## Frozen Food

Defrost. Heat. Indulge. Repeat. Our offerings of seasoning for Sausages, Nuggets, Samosas and more help enhance the experience. What's more? We also cater to your marination needs by offering special marinade seasonings that make a mark.

## Breakfast

VKL deals in a variety of breakfast variants seasonings like Oats, Muesli, Poha, Suji, etc. that make it more than right. Our instant seasonings make you stand out and our cook up variants make your product the center of attraction.

## Dairy

Innovation is our forte and we provide a vibrant assortment of seasoning and flavours for dairy products like cheese spreads, buttermilk, paneer and more that elevate the taste and quality.

## Sauces & Dips

Sauces make the base of any dish served and Dips make a perfect pair with every dish. Our seasonings solutions are customised according to the product, for instance Pasta Sauces, Ketchups, and seasonings for Dips are primarily focused on mayonnaise, chipotle etc.

## RTE/ RTC

Convenience food is this generation's go-to for keeping up with the fast pace of modern life. We provide an array of RTE/RTC solutions that appease the taste buds of your consumers and set new standards in the market trends.

## Soups

The solutions we've in store for your Soups enhance your products in an instant and cook up variants that leave a lasting mark on the indulger's palate.

Quick start your customer's day with VKL convenience food solutions without delay.
