

SEASONINGS & FLAVOURS

The image features a large, stylized title 'SEASONINGS & FLAVOURS'. The word 'SEASONINGS' is in orange, and 'FLAVOURS' is in red. A hand is shown sprinkling a brown powder into the large letter 'O' of 'SEASONINGS'. At the bottom, there is a glass of pink smoothie with a red and white striped straw, next to a glass of yellow smoothie and a glass of brown smoothie. There are also several strawberries, a chocolate bar, and some cookies.

Our Flavour-trail

A flagship company of "VKL Food Solutions Enterprise" we have been evolving fast & steady. Since our inception in 1935, in Kerala- our growth story has been inspirational. From whole spice traders to India's largest seasoning & flavour solution provider - our zeal to keep growing is unending in nature.

Being sensitive and in sync with the rapid evolution of consumer choices is of paramount importance. Facilitating this, is our state-of-the-art innovation centres, V-Create. Dedicated to craft the best solutions specially curated for your business, V-Create helps identify various trends, innovate flavours, taste, texture, shelf life or nutritional value of the products in our line across the globe & delivers solutions that are tailor-made for your benefit.

Our four exclusive V-Create centres located in Cochin, Gurgaon, Mumbai and Navi Mumbai are all well-equipped with advanced technology & machinery enabling our expert food technologists to integrate the best of ingredients and the chef's in-charge to innovate solutions for the plate that promise a delectable consumer experience. One which leaves a lingering aftertaste. And we ensure all that with our ace team at V-Create, who analyse consumer behaviour, along with on-going trends in the field for a detailed perspective. Furthermore, with the help of cross-functional teams, we construct a concept around the research & aim at delivering optimised solutions at the minimum required time. Churning the best in seasoning & flavour options, the crafted offerings at V-Create are extremely effective & cost-efficient too.

All set to enable your flight above the rest, we at VKL take care of all your needs & help you unlock your truest seasoning & flavour options. In our constant endeavour to craft a futuristic taste that lingers beyond, V-Create is all set to deliver much more than expected.

A collection of dairy products is artfully arranged on a round wooden cutting board. In the center, two glass bottles of milk, one pink and one yellow, stand next to a tall glass of white milk topped with a small garnish. To the left, a large block of yellow cheese sits on a small wooden disc, while below it, several pieces of white cheese with red and green specks are scattered. To the right, a slice of white bread with a brown crust is visible. In the foreground, a stack of green-tinted crackers lies next to two small white tubs of yogurt, one with a smooth yellow top and the other with a slightly textured yellow top. The background features a vibrant orange and red circular design.

DAIRY

The Dairy Diary

MODULATORS & ENHANCERS

Don't Compromise
on taste

Products & Solutions

As consumers become more determined to make healthier lifestyle choices, many are paying closer attention to ingredients used in food. Sugar & Salt content are primary consumer concern; especially as high sugar consumption is blamed for rising obesity rates whereas High salt contributing to high sodium levels is blamed for bad heart health. Customers are asking for reduced sugar - lower calories and reduced salt - low sodium alternatives.

ALCOHOL FLAVOURS

Making spirits bright

Products & Solutions

India, the 3rd largest liquor market in the world, is the thriving ground for host of flavours innovations in the alcohol segment. While crafted spirits are in trend, the masses seem to have taken to alcohol infused desserts too. While rum is in vogue with all its fruity, spicy & coconut variant, hybrids & cocktails are all time favorites. Vodka too is being inspired by fruits to ethnic combinations like aam panna and so on. Catering to this, is VKL with its range of flavours & add-on notes in whites, browns, bitters, taste modulators & more. Check out the global twists & classic serves that are now made available in refreshingly new avatars.
